

Children & Family Newsletter

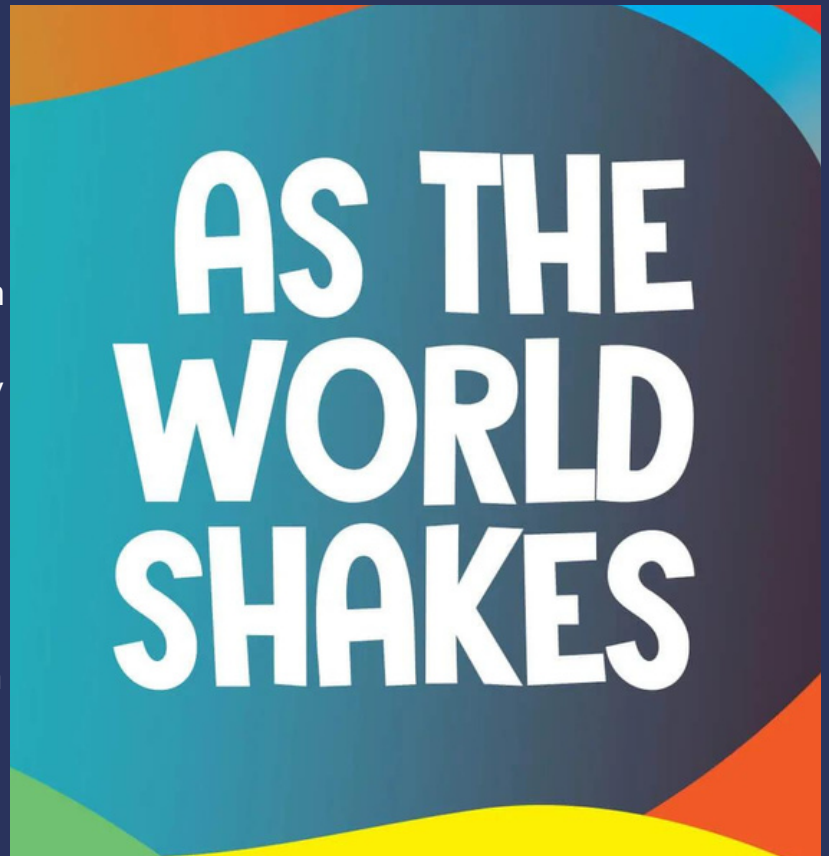

January 2024

Hello!

As we begin a new year, I am looking forward to seeing our children and family ministry grow and develop further.

I hope you are as eager and excited as I am to continue to ultimately see God's plan unfold for the children and family ministry within our church.

Our 'Children's Song of the Month' for January was 'As the World Shakes'. We reflected that if life gets a bit messy, when we put our trust in God and keep one foot in front of the other, we gain the strength to get us through.
